

Center Happenings:

1) It's June! That means preschool graduation time! Our preschool graduations were held last week at A Dream Come True playground. We had 26 preschoolers graduate, and some of these children have been with us since they were infants! We will miss them so much when they go to kindergarten! Our fabulous preschool staff has done an outstanding job getting them prepared. A big thank you to Ms. Deb, Ms. Pam, Ms. Chasity, and Ms. Michele! Our summer rosters will start the week of June 12.

2) A big THANK YOU goes out to our parent committee for all of the treats and the big breakfast spread during Teacher Appreciation Week last month! We all appreciated it so much! If you are interested in joining this committee, please contact Victoria Beahm at vbeahm@vmrc.org.

3) Brian Bence, the magician, will be visiting us again on June 21. He always puts on a good show, and we can't wait!

4) We will be closed on Tuesday, July 4, for Independence Day.

Summer Vacations

If you will be taking a vacation this summer, please remember that each child gets 2 vacation weeks in a calendar year where you can pay half-price if your child is out the whole week. Just let Ms. Jenny know so she can credit your account. Please let us know if you will be gone even if you are not using a vacation week so we can have an accurate lunch count and plan for staffing. Thank you!

Caring for children and adults together

Some general reminders:

-Please be sure to send in sunscreen for your child marked with their first and last names. When you fill out the sunscreen form, **please be sure to specify the name of the sunscreen** you are providing. Thank you!

-Water days are starting up again. Please be sure to send in a bathing suit, towel, and water shoes with your child each week. Please note, however, that flip flops are not permitted on the playground for safety reasons. Any **sandals worn on the playground must at least have a back strap**. Thank you.

-For families with more than one child attending Generations Crossing, please remember that **all siblings**, regardless of age, unless in a carrier or being held in a parent's arms, **must wait just inside by the door** when helping to pick up brother or sister. This helps us to minimize the spread of germs.
Thank you very much for your cooperation with this.
